

## **DEFIBRILLATORS**

The Parish of East Brent, which includes the villages of East Brent, Rooksbridge and Edingworth, has three defibrillators available for public use at the following locations:

**BRENT AREA MEDICAL CENTRE**

**ROOKSBRIDGE POST OFFICE**

**LAUREL FARM, EDINGWORTH.**

In the unfortunate event of a possible cardiac arrest in your household or location, a defibrillator could save a life. They are simple to use and do not need specialist training.

In an emergency, dial **999** for assistance and if the operator thinks that a defibrillator will be of use in that emergency you will be given the location of the nearest defibrillator and the code to unlock it from its cabinet.

Full instructions for use are included.

## **V.E.T.S.**

This Parish also operates a Village Emergency Telephone System whereby if you find that in an emergency you are in urgent need of help, ring this number **01278 393190** and one of ten volunteers from the Parish will, hopefully, be available to help.

This service **DOES NOT REPLACE** the need to call the emergency services on **999** first
